This article/ product have been assessed for SVHC compliance based on information provided by the customer. This certificate applies only to those articles as described above. The articles in question comply with the requirements of the current SVHC list in that they do not contain SVHC levels greater than the prescribed limit. Any subsequent variation in the production of this article/ product (this includes changes in raw materials chemical usage or processing) invalidates this assessment/ certification. This certificate is also invalidated as soon as the next version of SVHC list comes into force.

Certificate Number: 70172
Issue Date: 20th July 2017
1st Surveillance: 19th July 2018
2nd Surveillance: 19th July 2019
Expiry Date: 19th July 2020

**REACH
COMPLIANCE**

Remarks: This certificate of conformity based on the evaluation of a sample of the above mentioned products. It does not imply an assessment of the mass-production of the product. This is a compliance certificate only. The certification body should be informed (revision of technical file) for any modification or alterations made to the aforementioned product type(s). The manufacturer is responsible for the product and ensuring that all manufactured products are in compliance with the specifications as per standard. The certificate is valid for 3 years subjected to successful product compliance during surveillance audit if the company applies the technical file which has been stored in CDG office. Check www.cdginspection.com for currency of the certificate validity. Certificate remains property of CDG Inspection Limited to whom it must be returned upon request.
